2023 FEEDBACK

“ Please can I pass on a big thanks to you all for organising such a good bash on Thursday... we had a really good time and the evening was a great mix of fun, beer and business.

These things take a huge amount of organising so successfully and it was pitched just right. Thank you.

“ Thank you for making us feel so welcome and for the time you spent ensuring that we were seated next to some very relevant fellow attendees.

“ It was an absolute pleasure being part of the PIF Awards... Tea At Three was indeed an amazing experience as it gave us a better opportunity to really focus on discussing business. We will definitely be part of next year's event.
